

What Every Mum Really Wants for Mother's Day

Mums around the UK can now receive the gift they really want for Mother's Day: a Therapy Voucher entitling her to a relaxing massage in the comfort of **her own home**. Personalised vouchers are instantly available for purchase on The Therapy Agency's secure website, 24 hours a day, seven days a week, for fast delivery direct to mother or child.

A variety of therapeutic treatments are available for customers to choose from including aromatherapy, reflexology and massage. To ensure that customers are in good hands, The Therapy Agency only provides certified practitioners rigorously selected for quality service and professionalism.

Sessions are arranged at mutually agreeable times including evenings and weekends and can be booked online on www.therapy-agency.co.uk, or by phoning 0845 458 1977.

The Therapy Agency is a leader in the field of complementary therapy massage providing customers with easy access to some of the best therapists in the country. "The process is simple," says Jason Parlour, managing director, "Customers visiting our website can type in a postcode, view a list of therapists together with their photos, read details about their background and make bookings. By putting in one of our Treatment Voucher codes makes it free."

Notes to Editor:

Launched in 2002 with now over 300 therapists registered, The Therapy Agency is a national organisation that promotes reputable practitioners of complementary therapies to private and corporate clients. “We always interview, check qualifications and references, plus we always seek evaluations from previous clients as well as ongoing monitoring of current clients with each of our therapists” explains Jason. With the most sophisticated secure online search and booking facilities available in this business sector, clients can book preferred treatments 24/7, at home, or in their workplace.
